Compassionate Neuro-care by
Full-time Consultants
Institute Of Neurosciences Kolkata (I-NK)

I-NK is a State of the art centrally air-conditioned 160 bedded NABH accredited hospital with the objective to create a platform for a dedicated, affordable and yet highly skilled care in Neurology, Neurosurgery, Neuro-Psychiatry and Neuro-Rehabilitation.

I-NK is public private partnership of the Neurosciences foundation Bengal, Kolkata Municipal Corporation and Government of West Bengal and is affiliated with the Regional Neurosciences Centre, Newcastle upon Tyne, UK.

I-NK aspires to be the pride of Eastern India in being a centre of excellence in Neurosciences through its guiding philosophy of accumulating international expertise for the common man, dedicated team of full-time specialisation of neurosurgeons and neurologists and finally a caring environment. Its cutting-edge infrastructural facilities and world renowned doctors have made it the leader in treating neurological complications in Eastern India. Conveniently located at the intersection of Park Street and AJC Bose Road, the Institute is ready round-the-clock to help patients get relief from the moment they are admitted.
